Note Time

Caged Birds & Guinea Fowl sold in their own box, box to go with the bird

PAIR = breeding pair, 1 male + 1 female

TRIO = 1 male + 2 females.

DON'T FORGET TO BRING YOUR BOXES!!

STARTING BID**\$10 per bird, i.e. Pair \$20, Trio \$30****Cage Birds & Pigeons \$10 per lot****ALL BIDDERS MUST HAVE THEIR OWN BIDDER'S CARD.**

The account for each bidder's card is to be paid in full, the office **WILL NOT** split up bills.

BIRDS CAN BE COLLECTED FROM NOON. ← Note Time

Club members will release Lots upon presentation of a slip from the Office.

All transactions are to be strictly cash, unless prior arrangements have been made.

Birds that are not sold at auction may be purchased by private treaty, which must be paid for to the D.D.P.P. & C.B.S. Inc. and a receipt obtained prior to release of any birds sold in this manner.

If sunny the actual auction will take place outdoors in a nearby amphitheatre, bring a hat & sunnies & a comfy chair if you need one. If the weather is rainy, the auction will be in a pavilion, please bring a chair.

CHECK WHAT'S IN THE PEN CAREFULLY

**Check the lot number, breed and number of birds.
Check that they look healthy.**

THIS IS YOUR RESPONSIBILITY.

YOU ARE BIDDING ON THE BIRDS AS THEY ARE IN THE PEN.

e.g. If the catalogue says Trio, but there is only a Pair in the pen, you are bidding on a Pair. Please do not complain after the auction that what you have bought isn't what you expected.

The catalogue is a guide only. If you are not sure, ask a club member (black & red shirts) for help.

The D.D.P.P. & C.B.S. Inc accepts no responsibility for incorrect description of any Lot and is conducting the Auction under the Constitution and By-Laws of the D.D.P & P.B.A Inc. and the usual terms & conditions of a Public Auction.

CHECKING THE HEALTH OF THE BIRDS

Look carefully at the birds. Healthy birds have bright clear eyes and look alert. Their combs and the skin around their eyes should be bright red, except for Silkies & Sebrights, which should be maroon-purple. They shouldn't be hunched up and miserable looking. Only birds with crests should be flicking their heads, as they can't see clearly, other birds should not. If you bid on a sick bird and win, YOU NOW OWN that bird.

If you notice a sick bird, please bring it to the attention of a club member (black & red shirts) **before the auction begins.**

Our vendors do their best to provide the birds as listed in the catalogue, but the entries are made a few weeks beforehand and sometimes they just aren't able to provide them on the day. Occasionally, they may not notice an ill bird, or have caught their birds in the dark and a sick bird may have been included. Some birds find the auction very stressful and become more susceptible to illness.

MAKE THE AUCTIONEER'S LIFE EASY**LISTEN TO THE AUCTIONEER**

He will announce any changes to the lots before he offers them for sale.

All lots are to be offered in numerical order as per the Catalogue. Position yourself where the auctioneer or spotters can see you easily and have your bidder's card ready. If the spotters miss your bid and the lot is sold to someone else, speak up quickly, loudly and politely, and the auctioneer will put the lot up for sale again.

Planet Poultry will be attending the auction. For quality **Chicken Coops** and the biggest and latest range in **Incubators, Brooders, Drinkers, Feeders, Poultry Accessories** and **Poultry Medication**.
