#### DISPLAY CLASSES:

Breeds or colours not listed in the Australian Poultry Standards

All breeders who wish to display their non standard colours are encouraged to do so. To encourage Mediterranean Breeders to breed new varieties not listed in the Australian Poultry Standards the club is offering them the opportunity to display their birds for discussion purposes. Each display should consist of a male and female of the "variety" and should be accompanied by photographic, written, or other forms of evidence displayed in association with the birds.
